Message from Anti-ragging Cell

Ragging is strictly prohibited and ragging in any form which causes or likely to cause physical or psychological harm or raise apprehension or fear of shame or an embarrassment to the student whether by words, spoken or written or by an act which include teasing, abusing, playing practical jokes on or causing hurt to such students or asking the student to do any act or to perform such things which such student will not in the ordinary course willingly to do is strictly forbidden.

If found guilty of directly/indirectly involved or abetting in ragging he/she will be punished/rusticated/expelled/suspended from the institute and also liable to prosecution in terms of the Supreme Court of India decision on Writ Petition No. 656/1998.

Ragging is a crime. No one can feign ignorance of the law. Under the prohibition of ragging Act 1997 those who indulge in ragging can be punished. Jail for ragging is for period from six months to 10 years & fine up to Rs.50,000/-.

Students are advised to come forward and report acts of ragging to anti-ragging cell of the respective institutions.

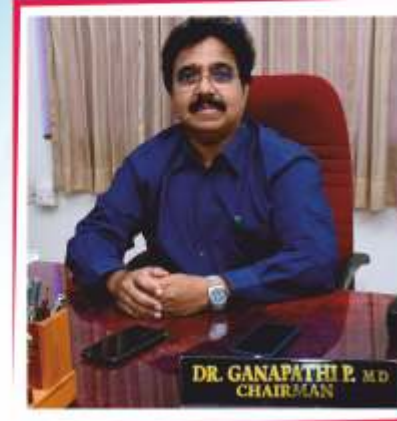

Contact Number: 0824-2272232 (office)

Agreement

In the event of cancellation/withdrawal by the applicant, no part of any fees is refundable on any ground. As a matter of policy, students will not be relieved during the program or compulsory service. However, if any student after admission decides to withdraw voluntarily from the college at any time before completion of the program or during the compulsory service, he/she shall communicate his/her decision to the management in writing along with a letter from the parents/guardians in support of his/her decision. That time the student has to pay the penalty and fees for the remaining period of the program. However, fees already paid will not be refunded. Original Certificates and marks cards submitted at the time of admission will be returned only after the settlement of all dues.

Above given particulars are subject to change from time to time both before and after a candidate's admission.

Chairman's Message

Dear students / parents

Our country will become the hub to provide medical and para medical professionals to the world. It is only the question of time that all over the world along with information technology, the nursing and para medical sectors will also be dominated by us. Almost all the leading hospitals in the developed countries have Indian nursing and para medical professionals. Our aim is to educate and train to international standard, so come join us and make us and our country proud.

Philosophy of the Mangala Charitable Trust®

Mangala Charitable Trust® was established for the purposes of alleviating human suffering, eradicating illiteracy, poverty, imparting Vedic and modern education with an opportunity for welfare and research. We uphold and instill respect for life and dignity of a person from conception to death.

The trust believes in providing professional education based and built on scientific principles, sound educational theory and practice in order to prepare professionally qualified personnel, who will function as team members in various health care agencies.

Trustees of Mangala Charitable Trust®

Dr. Ganapathi P – Managing Trustee

Dr. Anitha G Bhat – Trustee

Mr. Rajesh Malli – Secretary

Dr. Rahul G. Bhat - Trustee

Dr. Swathi P. - Trustee

Scholarship Program

Scholarships are available for needy candidates. Candidate (if eligible) can apply for the scholarship by submitting a written application to the admission office. The Management reserves the right for approval of the application submitted.

Placement Support

Placement programs and camps are conducted regularly to provide exposure to job opportunities in private and public sector hospitals and health care facilities. Our alumni are placed in prestigious institutions in India and foreign countries like UAE, United States of America, New Zealand, Tunisia, Bhutan, Bahrain, United Kingdom etc.

Rules and Regulations

Every student admitted and studying in this institute

- ◆ Must understand the implications of the rules regarding admission, attendance, discipline, examinations, uniform dress code and fee payment and strictly adhere to them.
- ◆ Shall conduct himself/herself in a disciplined manner both inside and outside the campus.
- ◆ Must be punctual in attendance, submission of records and assignments and payment of fees.
- ◆ Shall attend the class as per the timetable and refrain from being absent without parents' endorsement.
- ◆ Is strictly forbidden from loitering in the corridors and the campus during class hours.
- ◆ Shall be allowed to organize or participate in picnics or tours only with the prior permission of the principal.
- ◆ Damaging any college property will be fined to pay for the damages and face disciplinary action.
- ◆ Smoking, gambling (even without money at stake), consumption of alcohol, use and possession of drugs and narcotics is prohibited. If found indulging in the use of such things will be asked to vacate the hostel and be rusticated from the institute.
- ◆ Should not vacate hostel in the middle of the academic year.
- ◆ Failure to follow rules and regulations will necessitate the management to take disciplinary action as deemed fit.

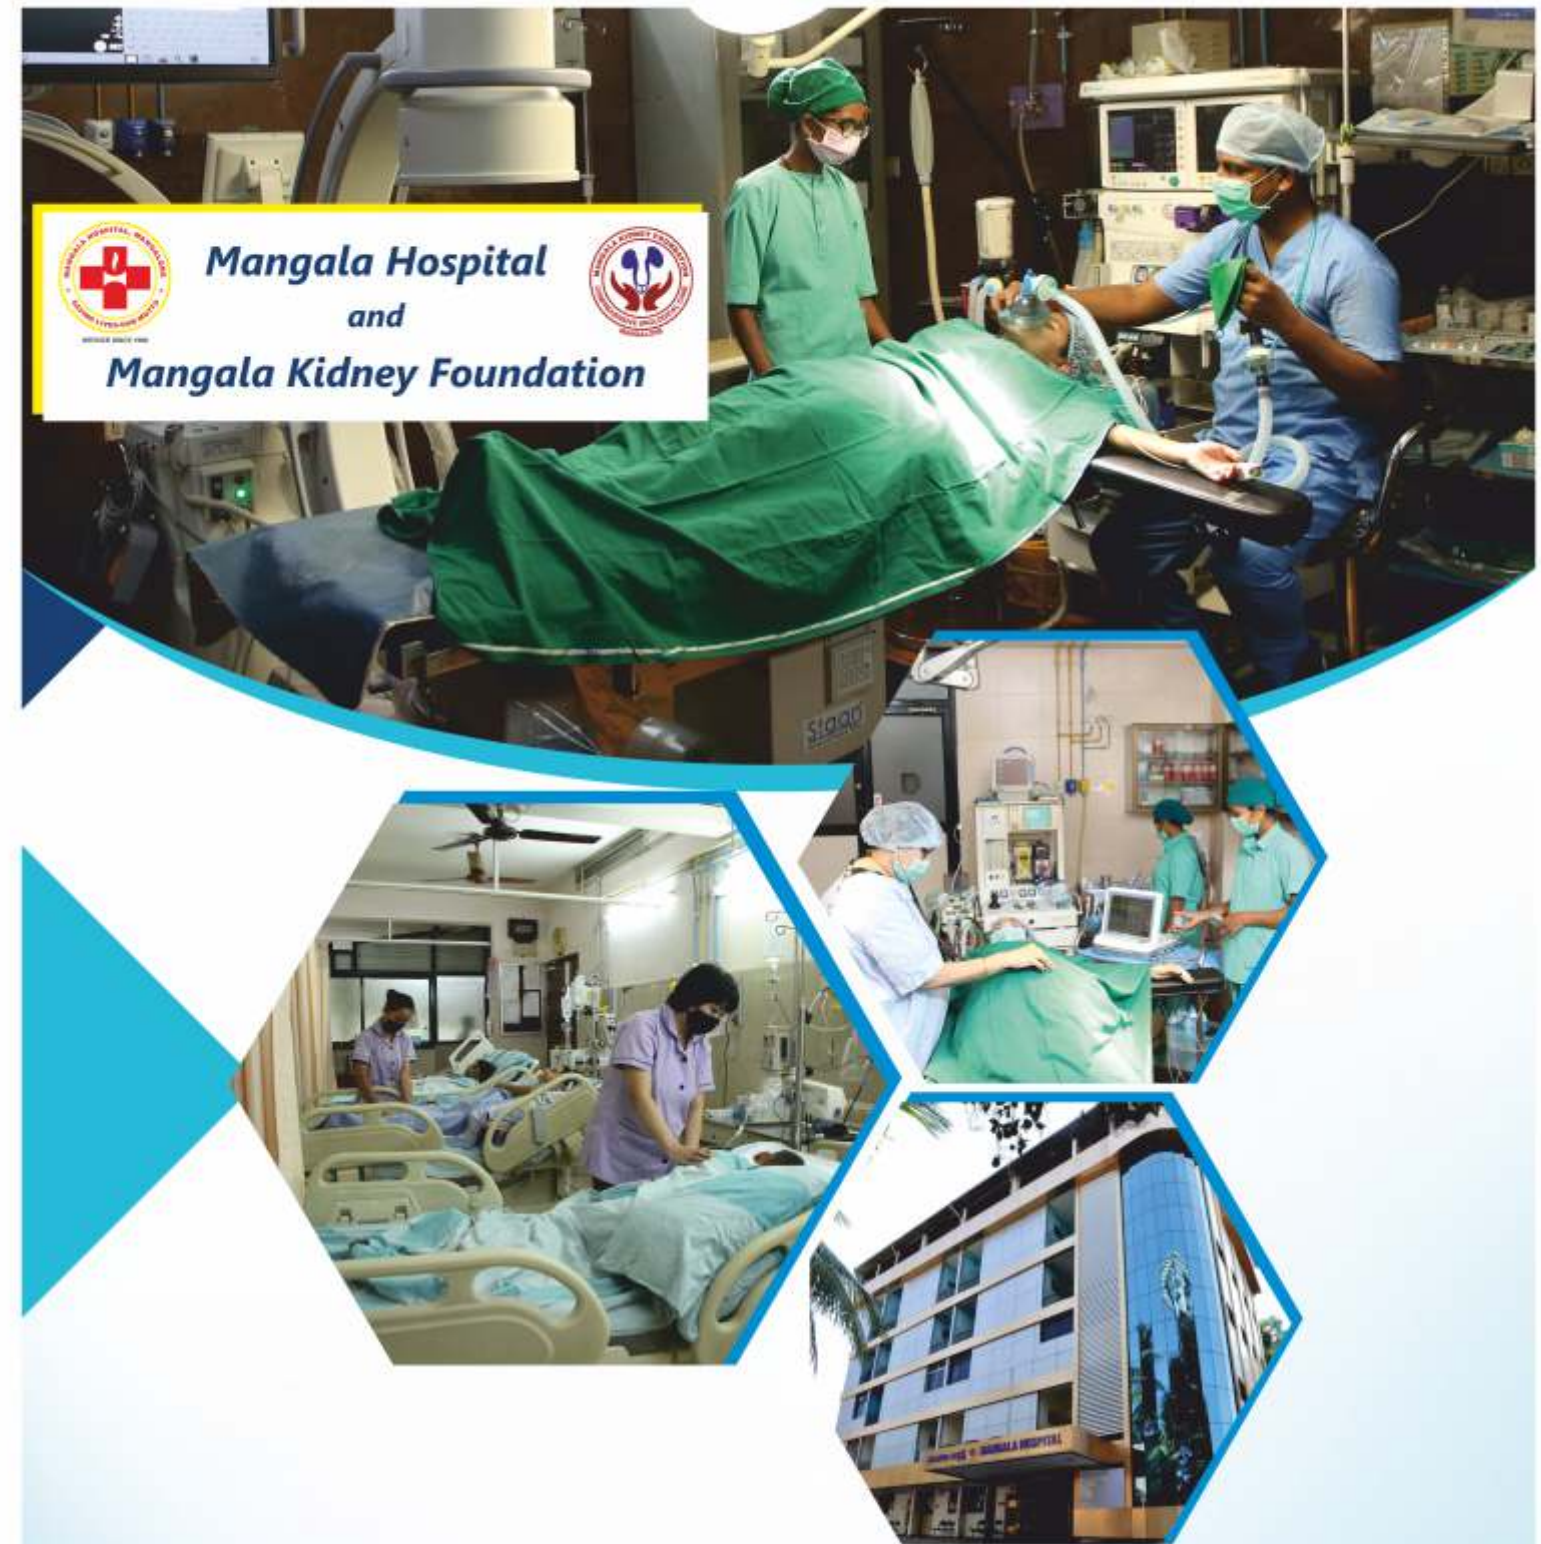

Co-curricular Activities

College organizes annual sports meet, cultural events, community awareness activities like anti-drug abuse day, anti-tobacco day, breast feeding week, WHO day and AIDS day. College also celebrates festivals, nurses' day, medical laboratory professional week, radiation day, optometry day, anaesthesia day and kidney day.

We are the first Para Medical Science Institute in Karnataka to have a NCC sub unit in the campus.

Students' leadership initiatives like student council, NCC and NSS programs are organized throughout the academic year. CMEs, field visits provide enriched leading experiences. Students are encouraged to participate in various activities inside and outside the college.

 **Mangala Hospital**
and
Mangala Kidney Foundation 

Since 1988, Mangala Hospital and Kidney Foundation (as Mangala Nursing Home) the parent hospital has developed into a 250 bedded multi-speciality hospital caters to patients across the socio-economic stratum by providing latest high-tech healthcare by competent professionals.

Mangala Group of Educational Institutions

Located at the heart of coastal city of Southern Karnataka, Mangaluru is connected to other parts of the country by road, rail, air and sea route. The city is also famous for its educational activities and healthcare with numerous educational institutions in and around the city.

Mangala Group of Educational Institutions offers Bachelor degree and Diploma programs in Allied Health Sciences, Nursing, Physiotherapy and Speech and Hearing affiliated to Rajiv Gandhi University of Health Sciences (RGUHS), Karnataka Para Medical Board (PMB), Karnataka State Diploma in Nursing Examination Board (KSDNEB), Indian Nursing Council (INC) and Karnataka Nursing Council (KNC) and approved by Government of Karnataka.

Mangala Group of Educational Institutions offers 17 programs designed to provide a balanced professional and general education enabling students to become professional para-medical technicians and nurses.

The Vision

Mangala Group of Educational Institutions believes in providing quality education in the field of Para Medical Sciences, Allied Health Sciences, Nursing and Physiotherapy built on scientific principles, sound educational theory and practice in order to prepare professionally qualified healthcare professionals who will be able to function as team members in all health care agencies.

The Mission

We promote all round development of the students with special emphasis on human, moral, psychological, cultural, intellectual and spiritual aspects required to prepare a health care professional who will be a contributing citizen in an ever changing society. We uphold the values and code of ethics in personal and professional life. We believe that the maintenance of good health is the desire of every individual.

Transportation

Transportation facilities are provided at extra cost for students to enable them to reach the hospitals from the college for clinical training purpose and back to hostel.

Hostels

Separate hostels for girls and boys are located near the college premises. Hostel provides modern amenities like mess, hot water and television.

Teaching Faculty

Dedicated team of qualified, trained, experienced, focused and dynamic professors, lecturers and consulting doctors teach, train, guide and prepare students for attaining professionalism in their careers. Regular guest lectures, seminars and medical related projects are organized.

We encourage overall personality development through regular participation in co-curricular activities, study tours, medical projects by hospitals and research centers.

Library

The college has state of the art library services with relevant reference authored by foreign and Indian authors, latest health sciences journals, newsletters and other materials available for reference. The library also offers a number of reference materials in digital formats.

The library atmosphere is precise for the students to enhance subject knowledge and to prepare for upcoming examinations, training, community and clinical postings, and reference.
